Products Brought to You by The Lathrop-Trotter Company:

Boilers:

Miura: Packaged Industrial High Efficiency Steam Boilers

Patterson-Kelley: Condensing & Non-Condensing Hot Water Boilers & Water Heaters

Rentech: Packaged & Field Erected High Pressure Boilers & Heat Recovery Steam Generators

Superior Boiler Works: Wetback & Dryback, Firetube Boilers & Ancillary Equipment

Unilux/Evolv: High & Low Pressure, High Temperature, Hot Water & Steam Boilers

Boiler Ancillary Equipment:

E-Tech: Packaged & Custom Economizers, Process Heat Recovery, Heating & Steam Generation

Industrial Steam: Deaerators, Energy Recovery, Blowdown & Condensate Handling Systems

Power Flame Incorporated: Gas, Oil, and Low NOx burners and Combustion Control Systems

Sofame Technologies: High Efficiency Condensing Economizers for Boilers & Gas Turbines

Zeeco Burner: Process, Power, Duct, Flare, and Thermal Oxidizer Burners

Gas and Steam Turbines, TG Sets, and Combined Heat & Power:

AirClean Technologies: Packaged TG Sets & Heat Recovery Systems

Broad: Gas, Oil, & Waste Heat Fired Absorption Chillers for Cooling, Heating & Hot Water

Dresser-Rand: Single & Multi-Stage Steam Turbine & Turbine Generator Sets

Express Integrated Technologies: Gas Turbine Heat Recovery for Power & Steam Production

GT Ice: Gas Turbine Aux. Systems, Inlet Filtration & Cooling, Enclosures, and Silencers

Practical Steam: Steam Engine Generator Sets Up To 10,000 lbs/HR

Solar Turbines: Gas Turbine Generators

Industrial Air Handling Equipment:

Carel USA: Full line of Isothermal & Adiabatic Humidifiers

I.C.E.: HVAC including Make-Up Air, Air Turnover, Energy Recovery & Semi-Custom Units

Johnson: Air Rotation and Make-up Air Units

LJ Wing: Integral Face & Bypass Coils; Combustion Air Heaters

MarCraft: Custom Air Handling Units & Energy Recovery Units

RAE Coils: Booster, Fluid, Steam, Evaporator, Condenser, & Industrial Coils

Industrial Fans & Blowers:

AirPro Fan: Custom Industrial-Duty Centrifugal Fans & Blower

Cincinnati Fan & Ventilator Company: Centrifugal & Tube Axial Industrial Fans

Daniels Fan: High Temperature Air Cooled Fans to 2,000°F

Northern Blower: High Capacity Industrial Centrifugal & Tube Axial Fans

Utility Power Equipment:

Beumer: Material Handling Systems Pipe Conveyors

Effox-Flexor: Dampers & Expansion Joints

EvapTech: New & Replacement Field Erected Cooling Towers

Sound Technologies: Industrial Noise Control Products & Systems

Steag: Catalyst Regeneration, Large Particle Screens & Ammonia Grid Systems

United Conveyor Corporation: Pneumatic & Hydraulic Ash Handling & Reagent Handling
